

1 collector.

2 THE CHAIRMAN: Delegate Chabot.

3 DELEGATE CHABOT: I just wanted to make sure
4 that you weren't limiting it simply to fix the tax base
5 in those areas where it is appropriate, where it has
6 been used to have a different sort of meaning, that it has
7 whatever technical meaning it normally has.

8 THE CHAIRMAN: Delegate Case.

9 DELEGATE CASE: It has the meaning you and I sub-
10 scribe to.

11 THE CHAIRMAN: Delegate Chabot.

12 DELEGATE CHABOT: With regard to the
13 entire section 8.02, in what way does this either empower
14 or restrict the General Assembly, other than the same
15 way that the equal protection clause may limit the General
16 Assembly?

17 DELEGATE CASE: Very simply, let us get back to
18 classification again. There is nothing in the equal
19 protection law that would require classification. It merely
20 says, in effect, that if classes are made, they have
21 to be equal.
